Skills/Proficiencies

Html/Css	<i>Entry Level</i>	Php	<i>Entry Level</i>
Javascript	<i>Entry Level</i>	Adobe Illustrator	<i>7 years Experience</i>
MySQL/DataDesign	<i>Entry Level</i>	In-Design	<i>7 years Experience</i>
BootStrap	<i>Entry Level</i>	Photoshop	<i>12 years Experience</i>
C++/ObjectOriented	<i>Entry Level</i>	Lightroom	<i>7 years Experience</i>
Angular	<i>Entry Level</i>	Photography	<i>7 years Experience</i>

Education and Training

Deep Dive Developers Bootcamp

Recent 2017

Full Stack Developer

10 week intensive full-stack developer workshop. 40+ hours a week Hands on training in Object Oriented Programming , Data Design Html/Css, Javascript, JQuery, Bootstrap, Php, Mysql and Angular. Working in a team of 4 to develop a working prototype of a Developed web application by the end of the workshop.

Borough of Manhattan Community College

2009-2011

Engineering Science

Summer Robotics Design Intern 06/2009 - 08/2009 BMCC Engineering Program

six-week Internship, 20 hours a week for six weeks research and application. Gained Experience becoming familiar with servo motors, electrical circuits, mechanics, computer animation, and the basics of C++ programming. Created a functional robot able to carry out certain task using the aid of Sonar and Contrast Sensors. Developed Analytical skills and further developed project coordination experience.

Research Scientist 05/2010 - 09/2011 SeA- Phage Hunters

Found Named and Researched Mycobacteriophage Nimbus <http://phagesdb.org/phages/Nimbus/>, Practiced virus titration and dilution by plaque assay. Seeded bacterium for viral infection by degrees of dilution , DNA extraction through electrophoresis protocol, Plaque concentration calculations. Kept meticulous notes on research. Followed strict sterile environment protocols to prevent contamination of virus during filtration process. Wrote research article in preparation for public peer presentation. Presented my research to at least 100 of my peers in public setting.

Saint Lucie West Centennial High School

High School Diploma

Student Tech 08/2003-05/2004

Volunteered as a student tech under the supervision of the school's Media Specialist. Was responsible for the maintenance of the 400 computers along with a team of certified student techs.

United States Navy

Veteran, Honorable Discharge 07/2006-03/2007

Electrical Repairman
